

If All Things are Possible with God, What will Cause Him to Do the Impossible?

June 5, 2005

Matthew 19:23-26

What might be an impossibility with man - Nothing is too hard for God:

- Impossible for a camel to go through the eye of a needle – but not with God
- He will grant a special grace for some situations – a rich man finding eternal life – not impossible with God – because of his love, he grants a special grace if a man's heart is bent toward him

Everything can be done with God – then what will make him go ahead and do the impossible?

- **If it fits his will and his purpose:**
 1. **Gen18:14** - The Lord tells Abraham that Sarah is going to have a child. Sarah laughs within herself.
 2. The Lord asked why she laughed – Is anything too hard for the Lord?
 3. It was already His will and purpose that Abraham would be the father of many nations and many nations would be blessed because of him
- **Because He is faithful to His word:**
 1. **Numbers 11:21** – the people complained bitterly to Moses for meat. Moses told God about the burden he was carrying for these people. God promised to give them meat for a whole month
 2. Moses wondered if they were to kill all their cattle just to give them meat for a month
 3. The Lord asks him – “Has the Lord's hand waxed short. You will see if my word will come to pass.” GOD brought in quails from the sea and let them fall by the camps of Israel
- **If Sin is not Separating Us from God**

Isaiah 59:1-2 - *Behold the Lord's hands are not shortened, that he can not save; neither his ear heavy, that he cannot hear:*

 - The sins of the people had separated between God and them. Their sins had hid his face from them, that He would not hear them.
 - But verse 20 says, “the Redeemer shall come to Zion, and unto them that turn from transgressions.”
 - Follow Him without sin – and He will be free to do the impossible if it's His will.
